MISSION STATEMENT

To serve and protect our clients and their assets, by providing integrated security solutions, borne out of our collective wealth of experience and expertise in the commercial and residential security sectors.

BACKGROUND

24/7 Security Services was established by Mr David De Lima, a security specialist with extensive experience in the field of both commercial and residential security. His 18 years of ownership and management experience with some of South Africa's leading security companies, along with his personal service in law enforcement, affirms his expert leadership in providing tailored security solutions to clients.

24/7 Security Services provides integrated security solutions by enhancing its manpower service offering with state-of-the-art security technology. The control room and head office of 24/7 Security is situated in Wynberg, Johannesburg and the Regional Tshwane office is situated in Silverton, Industrial.

24/7 Security Services advocates and adheres to a progressive and compliant Employment Equity policy whereby employees are promoted from within the company wherever possible.
