

Dear Mr De Lima

It is that time of the year where my focal point is to focus on my metric hence leaving this place with positive memories to look back to and leaving on a high note. The year is indeed coming to an end in an alarming pace and would like to take the opportunity, once again to thank you for your continuous support throughout the past year and the remaining period.

Your faith in me has not only inspired me but has changed my attitude towards the future. I am truly humbled.

This year I've managed to uphold a first class pass throughout the year. Although I know I can do better. I'm striving towards better results.

Sport has been an important factor in my discipline and focus. This term I am involved in Athletics, extra public speaking, Chior and first Aid (service to the school). My goal is to receive Cultural Colours as well as for Athletics.

Your support has given me the opportunity

to exploit my greatness which has been  
instilled by the excellence that King Edward  
VII School has for us.

I am looking forward to meeting  
as it'll be great honour. May  
God bless you.

Yours faithfully  
Simplice Nkosi
